Kaminwurzen with Chamois

Character Kaminwurz are dry-smoked traditional South Tyrolian sausages. While the original is made out of beef and pork meat, we created a new sausage by adding chamois meat. It tastes great a long with a slice of bread.

Ingredients Every 100g Kaminwurz was made out of 119g pork meat, 28g chamois meat, salt, spices, essences of spices, seasoning, dextrose, antioxidant: Sodium erythorbate; preservatives: natrium nitrites. May cointains traces of MUSTARD. Check individual labels as ingredients may vary slightly.

Conservation Keep in a cold place and do not expose to direct sunlight.
